## What do we do?

Board Meetings – The MCW Officers and Board of Directors meets approximately monthly to discuss the business of running our club.

Club Member Meetings – General membership meetings are held at 7:30pm at Thunder Bay Grille in Pewaukee, Wisconsin on the 2<sup>nd</sup> Wednesday of January, February, April, May, October, and November. These meetings are preceded by a social hour beginning at 6:30pm where members can enjoy a meal and share muskie stories with each other. These meetings cover club business updates and include a noteworthy speaker to help improve muskie fishing knowledge. Meetings conclude with a raffle consisting of several quality fishing-related and other prizes.

Club Newsletter – MCW delivers newsletters after each meeting to keep members up to date.

Member Outings – Our club organizes 1-day outings to local lakes plus 2-3 day outings to destinations in Northern Wisconsin. An organized MCW Canadian adventure occurred in 2010.

Member League Night – MCW organizes no-cost membership Spring (May/June) and Fall (Sep/Oct) league nights where participants fish for muskies on area lakes. These outings get our members out fishing more and also helps us get to know others in the club. Each week participants are paired with different club members. Traveling trophies are awarded to the points leader at the end of each league.

MCW Muskie Contest – Members who catch muskies throughout the year are encouraged to enter each muskie into the MCW member muskie contest. Each entry requires an affidavit form (due by the 10<sup>th</sup> of the month following your catch) and an accompanying photo. Top honors are recognized in several categories.

Annual Awards Banquet – In March our club hosts a membership awards banquet where participants receive our MCW Annual Report. MCW Muskie Contest awards are presented and fishing success stories are shared as is a fun presentation of member photos. Also, many raffle prizes are available.

Stocking – Our club works with the Wisconsin DNR and funds muskie stocking efforts in Wisconsin. We did the 1st ever direct stocking of muskies into Lac La Belle in 2014. In 2015 we stocked there again plus in Pewaukee. In 2012 we stocked extended growth muskies into Okauchee Lake and Lake Delevan. We intend to stock muskie annually with funds from our Bob Baumann Memorial Stocking Fund.
