MCW Stocking Statistics (2005-2017)

The Muskellunge Club of Wisconsin has been involved with stocking for many years and has stocked muskies in many different lakes all over Wisconsin. Since 2005, these stocking efforts have been concentrated to our local waters in southeastern Wisconsin. During this time, our Muskellunge Club of Wisconsin has partnered with the Milwaukee Chapter of Muskies Inc. to stock more muskies to have a greater impact to anglers in our area than either club could do on their own. Additional funding came from Smokey's Muskie Shop and Waukesha County grants. Since 2005, our Muskellunge Club of Wisconsin has been involved with stocking the following **4177 muskies!**

Total stocking: \$52,970! MCW contribution: \$27,615!
